

Worried About the Freshman Fifteen???

A new study shows 70% of college students will gain weight in their 4 years

Our Solution

You Tell Us What You Had

Natural Light

Tito's

Twisted Tea

Budweiser

We Tell You the Calories You Had

95 Calories

70 Calories

220 Calories

145 Calories

After you input every drink you had. We provide you with the total amount of calories you drank on your night out. We then offer you lower calorie solutions compared to the drinks you had. We hope to raise awareness about how many calories students drink on their nights out.
